Part II Line 9 Conservation easements are recorded at cost if purchased. Once the easement has been acquired the value of the asset is written down to a value of \$1 on the Statement of Financial Position with a corresponding entry to Program Service costs. Donated easements are not recorded as an asset, revenue or expense but a record of the transaction is maintained and the details of the transaction are reported in a footnote to the financial statements.

Part X Line 2 The Organization has been notified by the Internal Revenue Service that it is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is further classified as an organization that is not a private foundation under Section 509(a)(3) of the Code. The most significant tax positions of the Organization are its assertion that it is exempt from income taxes and its determination of whether any amounts are subject to unrelated business tax (UBIT). The Organization follows the guidance of Accounting Standards Codification (ASC) 740, Accounting for Income Taxes, related to uncertain income taxes, which prescribes a threshold of more likely than not for recognition and recognition of tax positions taken or expected to be taken in a tax return. All significant tax positions have been considered by management. It has been determined that it is more likely than not that all tax positions would be sustained upon examination by taxing authorities. Accordingly, no provision for income taxes has been recorded.

Part V Line 4 The Organization maintains endowment funds which are investments used to support stewardship and operations. The spending policy of the dedicated funds allows for a fraction of the funds to be released to support operations on an annual basis, which is available for the general operating expenses as part of the annual operating budget as approved by the Board of Directors.
